*Tera Probe Provides Support for Tohoku District-off the Pacific Ocean Earthquake victims*

**YOKOHAMA, JAPAN, March 16, 2011**

Tera Probe, Inc. announced that it would donate 5,000,000 yen to the NGO Japan Platform as the assistance to people and areas devastated by Tohoku District-off the Pacific Ocean Earthquake occurred on March 11, 2011.

In addition, Tera Probe employees will provide further donation with immediate effect.

We express our sympathy to earthquake victims and truly hope that the area devastated by the earthquake will be reconstructed as soon as possible.
