

Export Control

We set out the Security Export Control Regulation for our proper implementation of security export control for the purpose of maintaining the peace and safety in the international community in accordance with the Code. We submitted the abovementioned regulation to the Ministry of Economy, Trade and Industry (METI) and received as an export control internal rule (“CP”), which is disclosed at the Ministry of Economy, Trade and Industry’s website below:

https://www.meti.go.jp/policy/anpo/compliance_programs.html#cp1(Japanese version only)

We also obtain the Special General Bulk License from the Ministry of Economy, Trade and Industry (METI), which enables us to carry out export operations quickly.

Special General Bulk Export and Service (Program for Use) Transaction License:

Export License No. YBIT-GL-21-S10034
